Municipal General Election 2009

Supplementary Information Request

The Department of Municipal Affairs is attempting to compile as much demographic information as possible relative to all candidates that are nominated for this year's election. While much of this information will be provided in the Election Form MEF-04, the Nomination Report, we would also like to know the number of years, if any that nominated candidates have previously served on a Municipal Council. We appreciated that it would be very difficult for returning officers to be able to provide this information with the Nomination Report, which we are requesting that you send to us immediately after the close of nominations. Consequently, we are requesting that the information requested in this form be faxed to the respective Regional Office of the Department of Municipal Affairs by Friday September 11, 2009.
